Lance:

For (2) I will try to identify more precisely who and when notified the natural resource trustees, and will let you know.

There is a letter from the Department of Interior (DOI), dated 2/14/2014 that they are interested to participate and designated DOI Bureau offices to be included in the planning team. These include U.S. Fish and Wildlife Service, Bureau of Indian Affairs and U.S. Geological Survey. (see attached file).

In this letter they make reference to photographs taken by FWS last summer.
